

Chvrtnk English Mafia

Your Confidence Booster for the Game

Free event for chvrtnk students & alumni • Nov 9, 2025 • 20:00 MSK

How the Game Works (Simple Rules)

1. Players: 8–15 people.
 2. Roles: Innocent Villagers, Mafia, Detective, Doctor.
 3. Night: Everyone closes eyes. Mafia kills → Detective checks → Doctor saves.
 4. Day: Everyone discusses who the Mafia might be — then votes to eliminate one player.
 5. Goal:
 - Villagers: Find and eliminate all Mafia.
 - Mafia: Eliminate more players than there are Mafia left.
- > 💡 All communication during the game must be in English!
- > But don't worry — use this guide to speak with confidence.
-

Useful Phrases by Role

Villager (Innocent)

You don't have special powers — just your logic and voice!

- "I didn't see anything last night."
- "I think [Name] is acting suspicious."
- "Why did you vote for [Name]?"
- "I trust [Name] — they've been consistent."
- "That doesn't make sense to me."
- "Let's not rush — we need more discussion."

Mafia (Liar!)

You win if you stay hidden and eliminate villagers. Lie confidently!

- "I'm 100% innocent!"
- "I saw [Name] looking at me during the night — they're the Mafia!"

- "We should vote for [Name] — they're too quiet."
- "I agree with [Name], they seem trustworthy." (even if you don't!)
- "Why is everyone ignoring [Name]? They're acting strange."

Detective

You secretly check one person each night: "Mafia" or "Innocent".

- "I checked [Name] last night — they're innocent."
- "I have proof that [Name] is clean."
- "Be careful — I found out something important."
- "I can't reveal who I checked, but I know who to trust."

>  Only reveal your role if you're sure it will help the group!

Doctor

You secretly save one person each night from being killed.

- "I saved [Name] — they're alive."
- "I protected someone last night — the kill didn't work."
- "We still have a Doctor in the game — don't lose hope!"

>  You can choose to hide your role to avoid being targeted!

General Discussion Phrases (Use These!)

For everyone:

- "I didn't understand what happened last night."
- "Who agrees with me?"
- "Can you explain your logic again?"
- "That's a good point." / "I disagree."
- "Let's vote now." / "Wait, I need more time."

To sound natural:

- "I have a feeling it's [Name]."
 - "Don't look at me like that!"
 - "I swear I'm not Mafia!"
 - "Why are you defending them?"
 - "This is too obvious — it's a trap!"
-

Tips for Beginners

- Pick 3–5 phrases from this sheet and practice them before the game.
- Keep this PDF open on another screen during the game.
- It's OK to speak slowly — clarity > speed.

- Don't be afraid to lie (if you're Mafia 😊).
- Have fun! The goal is to speak English in a relaxed, playful way.
